E judges draw of lots took place before each phase of the competition.

MTC in favor to allowed NFs with teams to send two judges.

### Judges briefing

All relevant information were received from Members of the MTC. The judge's instructions for the D and E judges' panels were conducted separately.

### Podium training

Podium Training for the competition was conducted in accordance with the Qualifications schedule and for the first time consisted of two short training sessions.

All D judges stayed for all subdivisions in the venue during both podium training sessions.

The D panels evaluated all the routines that were shown by the gymnasts during the podium training. All controversial elements were immediately discussed with the coaches.

### **Competition**

*The D- Panels were very consistent and used the same criteria to evaluate the performances of all the gymnasts.*

*The E judges work is to be commended. E judges work was evaluated by JEP program in all phases of the competition. MTC had conducted PCVR for All around Final and Live review of Apparatus Finals. Results of MTC both evaluations were immediately sent to responsible person.*
